WIRING INSTRUCTIONS 106180-APH

Figure 1

V-Plow Hand Remote Wiring

Note: ACT-HR-HAR has extra connection points for additional switches. Not all of these connections will be used. If you have connections that are not going to be used, You should wrap those ends in electrical tape.

Note: Your winch switch/contactor may have different colors or connections. On the ACT-HR-HAR, green=winch in, black=winch out, white=ground, and red=keyed power

WIRING INSTRUCTIONS 106180-AP
